**August 24<sup>th</sup> UPDATE:** I just had my first peek at the auction items and I must say that I was impressed by the quality. The furniture is all top notch and exceptionally clean. The various china cabinets and hutches are very notable. There will be a nice selection of quality glassware and porcelain items. I added a few more pictures below. There is lots of new merchandise that has never been opened or used. Family and friends are still unpacking items that were hastily packed following the death of Dr. Ebel so expect some surprises!!
